# Message From Our President

## **Contributor : Jason Clark**

This is it, my last message as President of Windy City Woodturners. When I was elected at the end of 2017 I planned to serve for 2 years, I ended up serving 3. Those 3 years feel a lot like my marriage. Sometimes it seems like those years have gone by in the blink of an eye, other times it feels like it's been an eternity.

Certainly 2020 has been the most challenging year of my Presidency, the onset of the pandemic and the sudden need to shift to a fully virtual club wasn't easy and will likely need to continue well into 2021. Marie will definitely have her hands full as the new President but I'm confident in her abilities and her dedication to the club.

We're wrapping up 2020 with what I think it probably a first, a combined holiday party with Chicago Woodturners that's so big it will stretch over 2 weeks. Michael Alguire will be doing his Wheels of Delicacy demo via Zoom on December 8<sup>th</sup> and a social event featuring a Secret Santa gift exchange will be on Zoom on December 15<sup>th</sup>.

# Message From Our President

## **Contributor : Jason Clark**

I'd be remiss if I didn't thank a few of the people that have contributed to the club over the past 3 years. Peter D'Attomo and Dawn Herndon-Charles both served under me as Vice President and arranged for our demonstrations for the past 3 years. Bruce Kamp and Mark Dreyer served as Secretary and produced our monthly newsletter and Nick Page served as Treasurer. I've spent countless hours on the phone and on Zoom, and exchanged hundreds of emails with all of the officers and their contributions have made the club what it is today.

Paul Pycik, Don Johnston, Mark Hubl, Mark Jundanian, Dave Burk, Richard Rohrback, Rich Nye, and Rich Hall-Reppen have all contributed significantly as well, whether consulting with the board, serving as Past President and allowing the club to use Rockler for some of our events, contributing to our club website and newsletter with photos, running our A/V equipment, organizing our picnic, running our raffle, or running the club library, they've all helped improve the club.

# Message From Our President

## **Contributor : Jason Clark**

I also want to thank the incoming officers and the officers that have chosen to continue with their current roles. Marie Anderson is stepping up as President and Nathan Wick as Vice President. Mark Dreyer will be continuing as Secretary (and webmaster) and Nick Page will be continuing as Treasurer. I've enjoyed working with Mark and Nick and I look forward to working with the entirety of the Officers as I remain on the board as the immediate Past President.

Last, I want to thank my wife and kids. Setting aside 3 consecutive Tuesdays evening each month (board meeting, Chicago Woodturners, Windy City Woodturners) hasn't been easy on anyone; serving on the board, my full time job, my personal time in my shop, and time for my woodturning demos means less time with them. My wife has supported me 100% and my kids are somewhere between tolerant and apathetic which is probably about as good as you can hope for with teenagers.

# 2020 Joint Holiday Gift IRD and Holiday Party

Just a reminder that we are doing a little something different this year for our holiday party. As you all should know, Chicago Woodturners and Windy City Woodturners are joining forces to offer their members a free professional Interactive Remote Demonstration on December 8th (CWT's normal meeting night). The demonstrator will be Michael Alguire who is becoming famous for his Wheel of Delicacy pieces. Michael will be our guest demonstrator creating a holiday themed Wheel on December 8th during the CWT regularly scheduled meeting. We will be joining the members of the CWT for this demonstration.

Then, during the WCW regularly scheduled meeting on December 15th, the party will continue. We will enjoy each other's company through a virtual party. Those of you who have agreed to participate in the Secret Santa exchange will be the main entertainment for the evening opening the gifts that you will have in your possession by then! (Please note: the Secret Santa assignments were sent out on October 22nd. If you wanted to participate, and did not respond to the invite, please contact Marie Anderson. She will try to juggle some Santa's to make room for you - however there are no guarantees.) You are all encouraged to wear your holiday finest including, and ugly sweaters and appropriately themed hats always keep things interesting! You are responsible for your own libations and snacks this year (sorry). However, there will be some surprises so don't miss this first ever (and hopefully last ever) virtual version of our combined holiday party! Looking forward to "seeing" you all there!

You will receive invitations to these two virtual events the same way you normally get notices of the monthly meetings except in December you will be getting two invitations so mark your calendars NOW for both December 8th and December 15th!

# Christmas “Get Together”

On night two, December 15th, we will once again join together to enjoy a virtual evening of comradery and holiday festivities. I highly encourage you to dig out your "Ugly Sweaters" or even "Ugly Hats" (both of these I write with a certain degree of gleeful jest) but in the hopes that you will all get into the spirit of the evening. And, just a hint, it is entirely possible that there may be some equally ugly door prizes (...it has happened before, just sayin').

Although we cannot be together in person, this Zoom thing is making it possible to socialize and I truly hope you will all join me to spread the holiday spirit to all of our members. It won't be the same, but I guarantee this will be hysterical...um, I mean historical...yah, that's what I meant! Hope to see you all there. Cheers! Marie

# December Meeting – Michael Alguire

# Christmas Zoom Meeting

- ▶ In lieu of a holiday party we're having a free professional woodturning demonstration by Michael Alguire of New Mexico on December 8th at 7PM. I've known Michael for about 5 years and he's an up and coming woodturner with a pretty unique project with a bit of a holiday theme. I've seen this demonstration before as well as a preview of the holiday theme that he's applying to it for our meeting and it promises to be worth your time.
  - ▶ We're also having a social meeting on December 15th at 7PM featuring a Secret Santa gift exchange. If you're participating in the gift exchange and have already received your gift please don't open it prior to the meeting.
  - ▶ Invites to both meetings are below. Please note that these are 2 separate meeting links. We'll open both meetings 30 minutes early for some bonus socialization.

# Empty Bowls – A Huge Success

## ▶ Contributor: John Dillion

Dear Chicago Woodturners and Windy City Woodturners,

We hope everyone is well and keeping busy in your shops creating some unique gifts and otherwise getting ready for the upcoming holiday's. During these challenging times, let us be the bearer of some great news!

Because of the generosity of so many of members, our clubs were able to successfully pull-off a 2020 fundraiser which will provide some much needed comfort for those less fortunate than ourselves. Yes, our Empty Bowls fundraiser, held in Batavia on Saturday, December 5, 2021, exceeded our expectations and for that we are grateful, as will our beneficiaries, The Batavia Food Pantry; Northern Illinois Food Bank and Fox Valley Food for Health. As of now, our preliminary earnings for the day are approximately **\$3,700.00** which is tremendous!

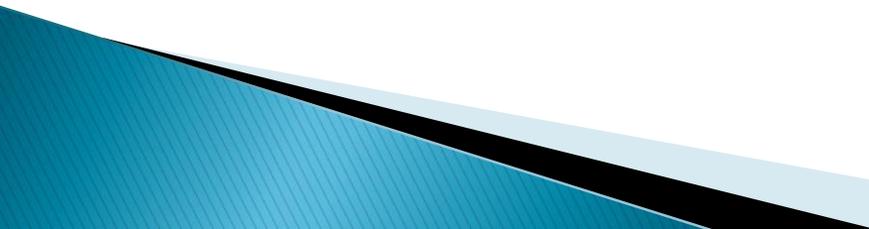

# Empty Bowls – A Huge Success

A huge thank you to those of you who have supported and donated items in support of all of the Empty Bowls events over the years especially Don McCloskey who led the team for many years. You should all be proud of the results of your efforts. This year's inventory was donated by the following members: George Charek, Dave Johnson, Don Hamm, Don Johnston, Jack Eslinger, Dan Anderson, Kurt Wolf-Klammer, Dawn Herndon-Charles, Frank Pagura, Paul Shotola, Don Kosik, Paul Pyrcik, Dave Bertaud, Rich Nye, Rich Hall-Reppen, Mark Dreyer, Andy Kuby, Bob Shuford, Jeff Walsma, Mike Canfield, Roberto Ferrer, Jack Harkins, Clint Stevens, Bob Schif, Earl Webber, Ed Szakonyi , John Dillon & Marie Anderson. (Please note: We try to keep the list current as we receive donations, because we cannot do this without you. In the last minute rush of donations, sometimes names are missed, if it happened this year, it was certainly unintended and we ask that you forgive the slight.)

# Empty Bowls – A Huge Success

- ▶ In addition to thanking all of our members who donated, we'd like to acknowledge the efforts of our Empty Bowls team of Marie Anderson, Rich Nye, Rich Hall-Reppen, John Dillon, Mark Dreyer and his wife Donna, who spent Saturday volunteering at the event. This was truly a team effort. Thank you one and all.
  - ▶ Per the Northern Illinois Food Bank web-site (serves 13 counties in northern Illinois) every \$1 donated provides \$8 worth of groceries. Therefore, because of our efforts, the food pantry clients will have additional multiple thousands of dollars' worth of food on their tables this winter season.
  - ▶ Thanking you all again, and reminding you that it's never too early to start thinking about next year, so "keep turning" and wishing you all Happy Holidays!
  - ▶ Photos from the event were taken by Marie Anderson, John Dillon, Rich Nye & Mark Dreyer.

# November Meeting – Marie Anderson

- ▶ Small Piece – Excellent Demo

*Thank  
You*

# November Demonstration

Marie Anderson will be the demonstrator for the November meeting. Marie will be turning Christmas ornaments for our November meeting. Each year Marie turns a different ornament and often they are small enough to fit on a table top tree.

Marie has been busy setting up her shop for this remote demonstration and preparing for this demonstration. In the event that you hold dual membership in both CVT and WCW you will see Marie at both meetings but she will be covering different ornaments each evening. These ornaments are typically turning in spindle orientation and simple enough for beginners but include some more advanced embellishing techniques for those of you looking for a little inspiration. So come one, come all and get into the holiday spirit!

Thank You

**Square Platter**

In this demo I'll turn a square platter. First, I'll ensure the blank is perfectly square and then I'll find the exact center. I'll mount the blank and concentrate on the back of the platter. I'll define a tenon and then shape the back of the platter making sure to have a pleasing convex profile. Then I'll turn it around, holding by the tenon, to turn the front side. I'll work from the corners toward the center, being careful to keep all 10 fingers on my hands.

## ▶ **Raffle– Richard Nye**

- ▶ Source wood, tools, and woodturning related accessories from various sources including donations, discounts, and purchases to be used for the monthly raffle. Raffle tickets are sold at the beginning of each meeting and items are raffled off at the middle of the meeting. Proceeds from the raffle go back to the club to offset club expenses and to fund the raffle itself. Certain item(s) may require multiple months of selling tickets in order to cover the costs of the item(s) and provide adequate profit to the club. Receipts for items that have been purchased are expected to be provided to the treasurer whenever possible so that the purchases can be balanced against the raffle line item in the budget.

## ▶ **A/V – Bob Bergstrom/Mark Jundanian**

- ▶ Research and make recommendations on audio/video decisions and purchases based on the club needs, bearing in mind possible future uses including remote video purchases and the ability to record demonstrations. Setup and run audio and video equipment at club meetings and presentations. Projector, screen, cameras, audio, and software. Recommendations should account for capabilities now and in the future, budget, and storage limitations.

## ▶ **Library- Rich Hall-Reppen**

- ▶ Organize and maintain the club's stock of books, magazines, DVDs, and other materials. Maintain records of items that have been borrowed by club members. Source additional/replacement materials for the library within the budget assigned. Provide relevant article about available library material for monthly newsletter.
