*All the News That Will Fit On the Lathe*

## **“the 360”** A Message From Mark Hubl, Your President

**Boo!** It's October once again! So Happy Halloween to all. I hope all your trick or treats are fun.

Thanks to all who participated in our annual **garage sale**. Whether you were buying or selling I hope that you had a good time. I know I got a couple of things I will use around the shop.

Sunday was our annual **mentor day** and I think it was a success. I want to thank Jason Clark and Marie Anderson for tutoring along with me. We had several members and a couple of Rockler Woodworking and Hardware customers participate. Jason spent time answering questions and tutoring a couple of members on the multi-axis techniques he demonstrated a couple of months back. Marie spent her time focused on spindle turning and mentored a couple of folks on spindle techniques. I spent my time showing how to effectively sharpen tools using CBN wheels and the Oneway Wolverine system. **Thanks again to our mentors and students.**

November is **election month!** We elect our officers every year so if you are interested in any of the positions throw your hat in the ring at the October meeting. We will review the slates and elect our officers at the November meeting. And finally, we will be sending out details for our **Holiday Party** and an RSVP invitation. Please respond to the invitation as soon as you can. The quicker we have a solid count the better. We will be collecting monies for the event at our November meeting.

If anyone is interested in being committee chair, please let Dawn know at the October meeting.

And thanks to all that participated in our annual garage sale. I hope that you all found some bargains and had some fun shopping the sale!

### *A note from your Editor*

***This month's edition is light, as last month we had our annual garage sale and I have been at the symposium at Ohio Valley (Cincinnati, OH). Next month's issue will include a recap of the symposium, an article by Don Johnston on Depot days, election nomination results and more. Check the website for the latest, breaking news.***

Additionally, the following people  
serve in these important roles:

### Librarians

Peter D'Attomo

Jack Harkins

### Promotions

Rich Nye

### Videography

Bob Bergstrom

Tom Waicekauskas

### Photography

Dave Burk

### Webmaster

Brian Gravelle

## Our Next Meeting

October 17 Lisle Park District 7:00PM

## THE MONTHLY REVIEW

Each month, an experienced member reviews members' current work in a gallery forum. As we had our annual garage sale in September, there was no gallery. The gallery returns in October.

We will have two tables set up, one for review items and a second table to show your work without a review. All members are encouraged to bring their work to the tables. Members bringing work for review receive a raffle ticket for a gift card, so you could actually win a prize merely for doing something you actually love to do!

## WINDY CITY WOODTURNERS EVENTS

Once Upon A Christmas December 2-3 Lisle Station Park

WCWT Holiday Party and Dinner

Watch this space and the website for updates
