*All the News That Will Fit On the Lathe*

## **“the 360”** A Message From Mark Hubl, Your President

**Fall arrives this week.** With the change of the seasons I am sure that many are thinking of the upcoming turning season. Outdoor activities will start to wind down and more shop time will be on our agendas. I know I am getting my shop cleaned up and ready for some fall turning. I hope that you are too.

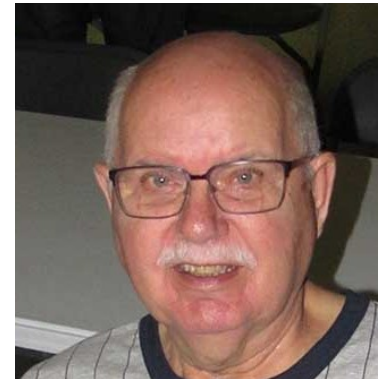

I would like to personally extend **thanks to Rich Rohrback** and his team for the great work on organizing and delivering a wonderful picnic. Also thanks to **Paul Pyrcik** for taking on our Master of Ceremonies duty for our exchanges. And finally, thanks to all who helped with cleanup! I hope that everyone that attended had as good a time as I did. Another thank you goes out to all that volunteered for Depot Days. The weekend weather was great if not a bit on the warm side. I am sure all that volunteered had a good time demonstrating and taking in the fair. I can't wait to hear how it went from all those who helped out.

Remember September is our Annual **Garage Sale**. A short meeting will be held for announcements before the sale. Bring stuff to sell and look for some nice deals to be had. All the club asks is that you submit a 10% commission at the end of the evening. Nick Page, our treasurer will be collecting at the end of the event. We won't be having a demo, drawing or formal gallery review. Mostly we will setup, sell, buy and clear out. Setup can start at 6:30. The sale will begin at 7:15 – or a bit later if everyone doesn't seem to be ready by then. There will be a Windy City Table where you can donate an item for sale with the whole proceeds benefiting the club. Please mark WCWT and include a suggested price. You are required to take any unsold items back home. Thanks for using this option to donate to the club. Here's the rest you need

**Jason Clark**

**Ed Slee**

It's an annual treat to get together, see old friends, meet spouses, celebrate Summer, partake of the plentiful and tasty food, and in general, just enjoy one another's company. We get together every summer, and the next time we get together in a social setting will be at Christmas time, when a cold wind is blowing and summer is just a memory.

## The Windy City Picnic

**Special Thanks to:**  
 Rich and Jill Rohrback, organizers and hosts (and cooks)  
 Paul Pyrcik, site location, coordination with the Lisle Park District and (as always) MC  
 The folks that ferried the pop, ice and food up the hill.  
 And especially everyone who brought food, wood for the exchange,  
 white elephant gifts and helped make the party a success.

# ***GARAGE SALE!***

**An annual chance to :**

**A. Sell Your Un-Needed Gear (tools, wood, supplies, etc.)**

**B. Buy some new Gear (tools, wood, supplies, etc.)**

**Join us next Tuesday, September 19**

**Proceeds Benefit Your Club**

Look around your shop. Yes, you. There are things there you are never going to use. Things that you are saving for “someday”, things that you bought two lifetimes worth of, hey, you only go around once.

Gather up your un-needed gear, put a reasonable price on it, and bring it to the meeting next Tuesday and sell it.! Someone is looking for just what you have and don't need. It's “someday” for someone, and they are just waiting for you. Now, take your new-found riches and shop for more stuff. Remember, “someday” may be today. There will be lots of bargains for you. One man's trash (your un-needed gear) is another man's treasure! Soon to be your treasure.

10% of sales proceeds goes to the Windy City Wood Turners

## CLUB OFFICERS

## Our Next Meeting

September 19

Lisle Park District 7:00PM

## THE MONTHLY REVIEW

Each month, an experienced member reviews members' current work.. The review in August was from Rich Hall-Reppen, a relative newcomer to the turning world, with a keen, unjaded outlook on quality work and good design. Rich shared his opinions on design, material choice, technical skill and started many discussions on these and other subjects.

We have two tables set up, one for review items and a second table to show your work without a review. All members are encouraged to bring their work to the tables. Members bringing work for review receive a raffle ticket for a gift card, so you could actually win a prize merely for doing something you actually love to do!

Coming in September:  
WCWT Garage Sale  
(see page 8 for more info)

## WINDY CITY WOODTURNERS EVENTS

Depot Days September 16,17 Lisle Station Park  
Once Upon A Christmas December 2-3 Lisle Station Park

The “360”

*Continued from page 1*

to know: Tables will be available in our meeting space. Share if you don't need much space. Please, no presales – let everyone have the same chance. Be sure each of your items is marked with the price and your name or initials – one gouge looks like another. Large or heavy items may be left at home or in your vehicle. Bring photos and descriptions for display. Both buyers and sellers should have plenty of singles and a few big bills. We will be allowing time to move out the sold and unsold prior to 9:15.

**One table will be set aside for the Instant Gallery**, but there will be no formal review.

Next month will be our elections. Are you interested in one of the board positions?? Let a member know so you can be nominated at our elections. We will be seeking those interested in all positions but particularly the President's spot and the club secretary.

Paul Shotola has let me know that he will be stepping down as our club secretary and editor of our newsletter. Paul has done a great job documenting our activities and getting out the newsletter. Thanks Paul for all your contributions over the past several years.

A quick shout out to member **Richard Dlugo** for his recent publication in the AAW. In case you missed it, Richard had an article on creating yoyo's in the August 2017 edition. Congratulations Richard on the great article.

Thanks to **Mark McCleary** for his presentation on the education facilities available to us woodturners and woodworkers. Mark certainly has a wealth of knowledge about the different schools. If you are thinking about visiting one of the schools don't hesitate to get some pointers from Mark. Thanks again.
