SPECIAL MEETING LOCATION

OUR OCTOBER 15 MEETING WILL NOT BE HELD IN OUR USUAL ROOM #4. INSTEAD WE WILL BE MEETING IN ROOM #1 (which is the west half of the room we had last Christmas). Don't try going through the back door, it will (should) be locked. Room #1 is most accessible via the front (west) door of the building.

Our regular room will be used as a staging area for gobs of Halloween decorations which will eventually be distributed throughout the building for that big party. Don't get used to the more luxurious quarters, we'll be back in our usual room for November.

Christmas Ornaments at Woodcraft

There are still slots available to get involved in the Christmas ornament demonstration event at Woodridge Woodcraft. The date is November 16 (in time to get some ideas for your own ornament turning projects). This kind of event is always fun for those who get involved – and everyone always learns something. Don't miss out. The demo will be from 10am to 2pm. There are still slots left in both the morning and afternoon. Contact Don Johnston (708) 482-7628, or sign up at the Oct. 15 meeting.

September Meeting — Garage Sale

Tables were full at September's meeting with treasures for everyone. Tools, wood and anything else you could think of were present for sale. By the end of the night, deals were being made to clear off the tables before heading home.

Hopefully, everyone had an opportunity to take home something special; and the people that were selling have now more room in their shop.

For the people that left early and didn't give 10% of your sales to the club, please bring that to the October meeting.

Get Involved

Windy City Woodturners is **your** club. Of course that means that you get to attend meetings every third Tuesday; you are presented with a program that a member spent time to prepare; the program is projected and recorded for future reference; you get feedback on work you bring in; you have a chance at a drawing prize; you get a great newsletter that keeps you posted on what's going on; and you have access to a variety of materials in the club library. If we all sat back and simply took advantage of those benefits, they would cease to exist. Officers and volunteers in various roles make these monthly things happen, and others are behind our major picnic and Christmas events.

Not everyone has the time for a major role. And things happen in everyone's life that dictate that "this is not the time" for a Windy City office or committee. Annual elections of officers are in November. Our Christmas party is in December. Please make an officer aware of your interest in these or other opportunities to serve **your** club.

Rick Nye Shop Tour

Save this date, **October 26**. That is when Rich Nye is opening his shop for visitors from Windy City Woodturners. Hours are 10:00 am to 12:00 noon. Rich is at 40W257 Seavey Road in Batavia, 60510. Your GPS will know where that is. Otherwise, most of us will take I-88 West to Orchard Road. Proceed North on Orchard .7 mi to Oak Street where you will turn left and go only .1 mile to Deerpath Road. Turn right on Deerpath and head North 1.3 mi. to Seavey Road. Turn left and go West to 40W257.

If you get lost, just follow the trail of any exotic animal.
