

Who We Are...

a local chapter of the American Association of Woodturners.

About Us

The Windy City Woodturners Club provides a forum for sharing, learning, fellowship and service. Our primary objective is to assist members continuously improve their knowledge and abilities in woodturning. Our monthly meeting includes a demonstration or presentation on a woodturning topic, a 'show and tell' gallery with critique of members' turnings and raffles for turning related prizes. As always, when turners get together, there is a lot of conversation on our favorite subject....Woodturning!

Visitors and beginners are welcome, check out a couple of our meetings.
